Thank you!

Thank you for your support of this capital campaign. We realize you may have a few questions and we look forward to providing you with the background and the insight used to develop these recommendations. While Cross Winds has come a long way over the years, there is still much left to be done. We ask you to prayerfully and faithfully think about how you'd like to be involved and seek out anyone of us to ask your questions and share your thoughts. Only then can we fully realize our potential as a Welcoming Community.

So All Are Welcome

So welcome each other, in the same way that Christ also welcomed you, for God's glory
Romans 15:7

Cross Winds is a community committed to welcoming everyone to experience a life with God immersed in a gracious love. Jesus shows us how to live that way with kindness, compassion, love, and respect. In order for us to welcome others as Christ did, we recognize that caring for our facility matters. We have identified several projects within the Cross Winds building that either require updating or are ready for renovation. We need your financial support to help us extend our ministries, reach others and continue to be a welcoming community for all.

Gracious God, we give you thanks for the ways you have blessed Cross Winds United Methodist Church across the decades. As we care for your church, we ask for your blessing on this capital campaign. Bless our work so that we may stay deeply connected to your greatest commandments of loving you with all our heart, soul, and mind, and loving our neighbors as ourselves. Bless this campaign, so that we may welcome all as Christ did and be filled with the joy that only your Holy Spirit brings for your glory. Amen.

So All Are Welcome

Illustrations are representations of possible improvements.

Welcoming All To The Table – Commercial Kitchen & Deck Improvements

Providing places to gather around the table matters. Jesus spent time eating in people's homes and sharing his life. We have a passion to expand our hospitality opportunities to our church family and out to our community and these improvements will enable us to do that.

Prioritized Projects

- Commercial Grade Kitchen
- Remodeled Deck
- New Storage for Chairs and Tables

"Our current kitchen and Fellowship Hall has served our internal needs surprisingly well all these years. I am excited to have a facility that will help us reach out to the needs of the community in so many new ways; ways we haven't even begun to fully understand or imagine."

Jeanine Ronning, Chair, Hospitality

Welcoming All To Worship – Sanctuary Improvements

Enhancing our worship experience so people can gather in person or virtually is critical. We need to acquire the necessary resources to support a variety of worship experiences.

Prioritized Projects

- Motorized Window Shades
- Sanctuary Projectors (x2)
- Stage Lighting
- Audio Equipment

"COVID had us find new ways to worship each week, including outside in the parking lot, in small groups and virtually on line. Meeting the challenges of improving our lighting and audio for video recordings, and improving the sanctuary environment will make all worship experiences better for all as we welcome more people to Cross Winds."

Roger Roth, Facilities

Welcoming All To Join Us – Entryway Improvements

Providing access that is accessible, convenient and safe to our facility for our church family and community groups to gather is important.

Prioritized Projects

- Card Reader Door Access System
- Exterior Security Cameras
- Interior Vestibule Doors
- Physical Accessibility Updates
- Main Level Bathroom Updates

"Maintaining our facility and grounds has always been paramount. It is essential to provide easy access to all parts of our building, increase our security presence, update our bathrooms and stairs for accessibility and find ways to make our building more energy efficient."

Paul Crosland, Chair, Trustees
